

HYDRAULIC, PNEUMATIC, AND POWER TRANSMISSION SYSTEM SPECIALISTS

COMPREHENSIVE RANGE OF SERVICES AND PRODUCTS

With over 35 years providing industrial support and solutions, we take pride in keeping our customer's facilities up and running, and establishing firm partnerships. Our focus is to become a valued part of our customer's sourcing and project teams as well as contribute to new automation solutions. Make us your valued source of cylinders, hoses, motors, valves, and much more. We supply mobile and industrial OEM as well as plant MRO.

A RELIABLE DISTRIBUTOR

Indesco was founded by Tom Knowles in 1984. Today he continues by example to promote value-added collaboration with our customers. Work with the most reputable distributor in the region. Our resources mean you're sure to find the solutions you need. From industrial machinery to mobile hydraulics, we aim to make your specification and procurement process as effortless as possible. Contact us to order hydraulic, pneumatic, and power transmission components. We proudly serve customers throughout the southeast, from our Charlotte, North Carolina facility.

IT'S SERVICE THAT MATTERS

Specializing in hydraulic, pneumatic, and power transmission components, Indesco is the name you can trust. We are a business that focuses on our customers and their technical requirements.
